

SHOULDER ARTHROPLASTY  
CONVENTION 2015  
Munich Master Course

Alte Kongresshalle  
Munich, Germany  
15-17 October 2015

[www.shoulder-convention.org](http://www.shoulder-convention.org)

The Shoulder Arthroplasty Convention 2015 will take place 15-17 October 2015 in Munich, Germany.

The biennial convention on shoulder arthroplasty welcomes international experts to share their results of basic research, their experiences with ground breaking new concepts and their practical approach to standard shoulder arthroplasty with you. Cadaver courses, debates, live surgeries, lectures – with a focus on active participation and take home messages.

We would be very grateful if you could add the date and basic information about the convention on your society website. We would also very much appreciate any further communication on the meeting among your members.

Title: Shoulder Arthroplasty Convention 2015 – 3<sup>rd</sup> Munich Master Course

Date: 15-17 October 2015

Location: Munich/Germany

Website: <http://shoulder-convention.org/>
